

# Granny square table runner

By Christina Hadderingh

From

## Materials

Scraps Drops Paris yarn in various colors

Approx. 3 balls white Drops Paris yarn (depending on how loose or tight you crochet you might need a fourth ball)

4 mm/G crochet hook

Darning needle

Thread clippers

## Abbreviations

CH	chain
DC	double crochet
ST	stitch
SK	skip
SC	single crochet

## Used stitches

Chain

Slip stitch

Single crochet

Double crochet

Standing stitch

## Special Notes

- For the first 5 round of each square I used scraps of color and for every sixth round I used white
- I used this joining method: <http://www.craftpassion.com/2014/06/flat-slip-stitch-granny-join.html/2>
- For the joining you need to skip the ch 1-spaces from the windmill square
- For every new round you start with a standing double crochet
- This table runner uses two different squares: a windmill square and a solid square
- Every round is finished off with a needle like Winks method used in her standard mandala pattern: <http://www.acreativebeing.com/patterns/mandala-en/>
- It is recommended to block your squares before you join them and block the whole table runner when it's finished

## Finished size

5x3squares = 76x45 cm/30x17.7 inch after blocking

## Written pattern

### 'Windmill' granny square pattern (make 10)

round 1: begin with magic loop, ch 3 (count as first dc) , dc 9 (10 st)

round 2: begin with standing st, 2 dc in each st (20 st)

round 3: Start in any stitch: \*3 dc in first st, ch 2, 3 dc in next st (first corner made), ch 1, sk 1, 3 dc in next st, ch 1, sk 1\* repeat to end (4 corners)

round 4: Start in any ch 2-space: \* [3 dc, ch 2, 3 dc in ch 2-space], ch 1, 2 dc in ch 1-space, 1 dc in next 3 st, 2 dc in ch 1-space, ch 1\* repeat to end

round 5: Start in any ch 2-space: \* [3 dc, ch 2, 3 dc in ch 2-space], ch 1, 2 dc in ch 1-space, 1 dc in next 7 st, 2 dc in ch 1-space, ch 1\* repeat to end

round 6: Start in any ch 2-space: \* [3 dc, ch 2, 3 dc in ch 2-space], ch 1, 2 dc in ch 1-space, 1 dc in next 11 st, 2 dc in ch 1-space, ch 1\* repeat to end

### Solid granny square pattern (make 5)

round 1: same as round 1 from the windmill square

round 2: same as round 2 from the windmill square

round 3: Start in any stitch: \* 3 dc in first st, ch 2, 3 dc in next st (first corner made), sk 1 st, 3 dc in next st, sk 1\* repeat to end (4 corners)

round 4: Start in any ch 2-space: \* [3 dc, ch 2, 3 dc in ch 2-space], sk 1, 1 dc in next 7 st, sk 1\* repeat to end

round 5: Start in any ch 2-space: \* [3 dc, ch 2, 3 dc in ch 2-space], sk 1, 1 dc in next 11 st, sk 1\* repeat to end

round 6: Start in any ch 2-space: \* [3 dc, ch 2, 3 dc in ch 2-space], sk 1, 1 dc in next 15 st, sk 1\* repeat to end

## Joining

Important note: When joining a solid square with a windmill square, skip the ch 1-spaces from the windmill square.

Lay your squares out to decide where each square is going to go.

Begin with joining the longest row:

1. Take your first two squares and put them with the wrong sides together
2. Start with a slip knot on your hook and put it in the second ch st in the corner of your two squares, make a slip stitch (pull the yarn through both loops).
3. Repeat with every stitch, putting your hook in the back loops of your squares, continue until you reach the corner ch 2-space. Join the first ch from both your squares together.
4. Take two new squares and join them in the second chain from the ch 2-space
5. Continue to join squares together until you have 5 squares in a row. Repeat the steps for the second row, so each square is now joined horizontally

Now you need to join the squares vertically:

6. follow the same steps as before. When you come at an intersection, work over the slip stitches and join the chain stitches that are not joined yet.

## Border pattern

Begin in any corner of the table runner: make 2 sc, ch 2, 2 sc in the corner. Make 1 sc in each st and 1 sc in every ch 1-space.

1. When you come to the first intersection: make 1 dc in the corner space of the square, ch 1 and make a second dc in the next corner space of the square, repeat these steps around.

Block the table runner to size and you're done!
